

37505.0183

REMARKS

Claims 1 to 21 are pending and allowed.

The drawings are objected to under 37 CFR 1.83(a) for failing to shown the anode and cathode recited in claims 1, 10, 11 and 20. Appropriate correction has been made to the specification and Fig. 1. A marked up copy of Fig. 1 as well as a formal version of that drawing accompany this amendment.

If the examiner agrees with the corrections to Fig. 1, the applicant will file a new set of formal drawings.

It is believed that claims 1 to 21 are now in condition for allowance. A Notice of Allowance is requested.

Respectfully submitted,

Michael F. Scalise  
Reg. No. 34,920
